Month One in Belize

“The Lord has done great things for us, and we are filled with joy.” – Psalm 126:3

Hello friends,

Our first month back in Belize has been full—full of travel, ministry, family time, and opportunities to see God at work. Looking back, it’s amazing how much happened in just a few short weeks. Thank you for praying for us and walking alongside our family as we step into this season of ministry.

The Journey South

Getting to Belize was an adventure in itself. Ice storms created several delays along the way. But through every change and delay the Lord remained faithful and brought us safely here.

Vision Trip to Guatemala

Early in the month we participated in a vision trip to Guatemala and were able to see how God is working to prepare future teams for gospel partnerships.

Preaching at a Local Church

Jason had the opportunity to preach at a local church, sharing God's Word and encouraging believers in the community.

Serving with 'The Guys'

Building relationships with the men serving in ministry here has been one of the most encouraging parts of the first month.

Village Outreach

A BBQ fundraiser helped connect with local villages while raising support for outreach. There were even a few 'questionable meals' that brought plenty of laughs.

Medical Mission in Guatemala

We ended the month serving with Flint Baptist Church on a medical mission trip in Guatemala, helping provide care to over 1,000 people while sharing the healing power of Jesus.
